## VICTORY MADE IN SENATE ON ARMS PROGRAM

Administration Forces Win  
Fund Point; Senate Is  
Above House Figure

WASHINGTON, Sept. 23—(AP)—The administration chalked up an important victory in foreign policy today on the strength of the senate's 55 to 24 approval of an overseas arms program.

The senate reached its decision late yesterday to rearm friendly nations after beating down two moves to make a \$200,000,000 cut in the \$1,314,010,000 arms bill.

The measure came through the senate with only two minor changes. This was in part a personal triumph for Senator Connally (D-Tex.) and Senator Vandenberg (R-Mich.), the two party leaders in foreign affairs who led the fight for the aid program.

**Join Democrats**  
Nineteen Republicans joined 36 Democrats in voting for passage. Ten Democrats and 14 Republicans voted against it.

Connally told reporters: "As chairman of the senate foreign relations committee, I am highly gratified at passage of the program and delighted over the defeat of the crippling and enfeebling amendments."

In the debate, Senator Taft (R-Ohio) contended the program contemplates arming every nation in the world that might be opposed to Russia. "This," he said, "is likely to incite Russia to war."

But Vandenberg argued that the goal is "stopping aggression before it reaches us." Had the foreign aid program to date been less successful than it has been, he said, "we probably would be voting billions" to fight a defensive war.

The senate's vote pledged congress to a foreign arms program since the house already has approved a similar military aid bill. The amount of money to be authorized remains in doubt.

**Less Than Senate**  
The house voted \$869,505,000 to carry out the arms plan—which is \$444,505,000 less than the senate figure. Senate and house members will work out their differences in conference.

Connally will lead the senate

## CONCERT SUCCESS DESPITE RAIN; PARADE TONIGHT

Line of March Is Changed  
Due To Football  
Traffic

Rain last night failed to dampen the effectiveness of the American Legion Quaker City band's concert, presented in connection with the Legion-sponsored Fall festival.

The crowd jammed in and around the canopy of the Salem Motors, site of the pop performance. Two trombone specialists were featured on the program. Director George Chappell prepared a varied program for the hour-long concert.

**Change Parade Route**  
Fall festival General Chairman John Herman today announced due to the heavy traffic expected for the football game tonight the parade route has been changed.

Units will form on S. Broadway at 6:45 p. m. and will step off at 7 p. m.; march to E. State st.; east on E. State st. past the reviewing stand in front of the Legion home to Ohio ave. where the units will disband.

Another band—Smithfield—and another drum and bugle corps from Salineville, brings the total of musical units to nine for the Fall festival parade. A dozen other units round out the parade participants list.

**\$300 In Prizes**  
Judges for the \$300 in prizes to be awarded tonight are headed by Myron Griffith, nationally recognized parade judge. Members of the Salem Officers Reserve unit will complete the board of judges.

Herman urged all Legionnaires to be at the post home at 6:30 p. m. for assignments in handling the parade activities.

### Ransack Gas Station

## Daughter Of Helen Hayes Dies At 19

"Act of God" Baby Dead  
On Eve of Her Debut  
On Broadway

NEW YORK, Sept. 23—(AP)—Actress Mary MacArthur, 19, who became a celebrated figure in the theater world at birth as the "Act of God Baby" of Actress Helen Hayes, died last night.

The young woman's death came as she was preparing to appear next month in a supporting role with her mother in the Broadway premiere of a new play.

She died at Lenox Hill hospital of what physicians termed a "generalized virus infection." Her father, newspaperman P. L. A. Wright Charles MacArthur, and Miss Hayes were at her bedside.

The "Act of God Baby" label was pinned to Miss MacArthur in a widely publicized theatrical controversy. It arose when her mother was forced to withdraw from a starring Broadway role in 1929 by the approaching birth of her child.

**Closed Show**  
Her withdrawal resulted in closing of the play and subsequent dispute over actors' salary rights.

Miss Hayes' side contended that having a baby is an "Act of God" and could not be considered a breach of contract or other cause for withholding salaries.

Arbitrators never ruled on the "Act of God" claim, but ordered that two weeks' salary be paid to the play's cast.

Miss MacArthur was taken to the hospital nine days ago after becoming ill while appearing with her mother in tryout performances of a new play at Westport, Conn.

The young actress, a graduate of the American Academy of Dramatic Arts, lived with her parents, at Nyack, N. Y.

At the age of seven, she played a walk-on part with her mother in "Victoria Regina," one of the plays that established Miss Hayes' fame as a portrayal of royalty. For several years after that, Miss Hayes barred a stage career for her daughter.

Since Aug. 15, Miss Hayes and her daughter toured summer theaters with the play, "Good Housekeeping," by William McCleery.

It was scheduled for a Broadway opening next month.

## Two Men Injured When Their Trucks Collide

Two men were injured when a dump truck driven by John Pascola, 59, of R. D. 4, Salem, and a truck-trailer operated by Elmer E. King, 55, of Bedford, collided one and three-tenths miles north of the railroad underpass on Route 14, north of Salem, at 4:55 p. m. Thursday.

John Pascola suffered a back injury, while Roy Pascola, 24, a passenger in his car, received neck injuries and had to be treated by a physician.

Both trucks were going north. King attempted to pass Pascola and the latter turned over. Neither driver could tell how the accident happened. There were no witnesses.

Both vehicles were damaged extensively.

## Steel Negotiation Thins Strike Cloud

PITTSBURGH, Sept. 23—(AP)—Agreement of Big Steel and the CIO United Steelworkers to renew contract talks today broke up strike clouds hovering over the industry since July.

Union Chieftain Philip Murray and Vice President J. A. Stephens of U. S. Steel Corporation arranged a hotel conference at 2:30 p. m. to resume negotiations under a third presidential strike truce.

Murray had proposed a 9:30 a. m. session but shortly before that hour came announcement both sides had agreed on the afternoon date. Conferences with other steel companies are being arranged by the union.

**Continue Walkouts**  
Meantime, about 2,400 union members at two Pittsburgh district steel mills continued unauthorized walkouts which union and company officials blamed on the tension and uncertainty of the steel situation. Closed are the Universal-Cyclops Steel Co. plant in Bridgeville, and the Superior Steel Co. plant in suburban Carnegie.

Contract negotiators have one week in which to thrash out pension and insurance difficulties that three times have brought the nation to the brink of a paralyzing steel strike.

Talks with the U. S. Steel are expected to set the pattern of the conferences with other steel producers. Big Steel and the union usually determine the course taken by the entire industry.

The union also arranged for new conferences with Crucible Steel company, Allegheny-Ludlum Steel Corporation; Sharon Steel Corporation; Youngstown Sheet and Tube company at Youngstown; Rustless Steel company, at Baltimore; and Republic Steel company at Cleveland.

The million member steel union has delayed its strike deadline from Saturday midnight to 12:01 a. m. October 1. That was in response to a plea by President

## COON DOG TRIALS HERE THIS SUNDAY

The North East Ohio Federated Coon clubs, to which the Salem Hunting club is affiliated, will have its coon dog field trials Sunday at the Saxon Country club.

People are expected to attend from all over Ohio, from Indiana, Pennsylvania and West Virginia. Entries will close definitely at noon. The first heat will be run at 11 a. m., with separate heats for junior and senior dogs. Junior and Senior dogs will run together in the finals. A live coon in a bag will be used for scent.

Mike Mihalko of Akron will serve as field marshal and the rules of the N.C.F.T.A. will prevail. D. C. Cannon, secretary of the Salem Hunting club, is also secretary of the N.E.O.F.

## Jaycees Hear Barrett Discuss Football Team

Coach Ben Barrett discussed the steps in building a high school football team when he spoke at the Junior Chamber of Commerce meeting last night at the Lape hotel. Russell Hackett and William Grotan were co-chairmen of the program.

President Jim Jackson honored three non-members for their assistance in staging the Youth Week parade. They are Al Fultz, Willard Cope and Dean Cranmer.

In a polio drive contribution the Jaycees donated \$22 to the fund. Twelve Jaycees and their wives will attend the Ohio Jaycee state meeting in Columbus and will also view the Ohio State-Missouri football game.

## Mullins Eliminates Layoff of 400 Men By Selling Program

The story of the sales program for Youngstown Kitchens by the Mullins Manufacturing Co. from the manufacturer's to the retailer's level, was given at the Kiwanis club meeting Thursday by Frank Knecht, company research head.

Knecht described this program in telling Kiwanians how his company is working to build a stronger company and keep a high level of employment in Salem.

In proving his point, Knecht said the firm recently spent \$100,000 (an amount matched by their distributors and dealers) toward stepping up their advertising so that 400 workers would not have to be laid off here and in Warren. Since the campaign began, sales have picked up, ending a general decline, and men have been added to the shops, rather than laid off.

**No Formula**  
Knecht said there is no "magic formula" for selling. The principal ingredients to selling are: Have a good product, price it right, demonstrate it, show the customer his need for it, and sell it. It is on this basis that Mullins' advertising and selling of Youngstown Kitchens is based.

The Mullins sales department has set up schools for salesmen and is daily called upon to help dealers in selling their products.

The result of Mullins selling technique has produced the desired results, Knecht asserted.

Slides illustrating his talk were shown at the meeting.

The speaker was introduced by Carl Willman, program chairman.

The Kiwanis club plans to hold a steak fry the night of Oct. 13 at Centennial park. "Ladies night" will be observed on that occasion.

## TRUMAN TELLS CABINET OF DEVELOPMENT

Warns of Need For World  
Atomic Control Group;  
Details Undisclosed

WASHINGTON, Sept. 23—(UP)—President Truman informed the cabinet today that this government has evidence "that within recent weeks an atomic explosion occurred in Russia."

Truman made this dramatic announcement in a special statement which he said was prompted because the American people were "entitled" to the information.

Truman pointed out that ever since atomic energy was first released by man that it was inevitable that other nations would learn how to use the new force.

"We have evidence that within recent weeks an atomic explosion occurred in the U.S.S.R.," the President said.

**Makes His Point**

"This recent development emphasized once again, if indeed such emphasis were needed, the necessity for truly effective, enforceable international control of atomic energy which this government and the large majority of the members of the United Nations support," the President said.

He pointed out that nearly four years ago he said that essential theoretical knowledge underlying this country's construction of the atomic bomb was widely known.

He also pointed out that on Nov. 15, 1945, he and the prime ministers of the United Kingdom and Canada-American partners in wartime development of the bomb, emphasized that no single nation could have a monopoly on atomic weapons.

At no point in the President's statement did he say that Russia has the atomic bomb.

He confined his disclosure that "an atomic explosion" had occurred within recent weeks in Russia.

**Johnson Besieged**  
After the cabinet meeting broke up, reporters besieged Defense Secretary Louis Johnson with questions.

"Have we made any change in the disposition of our forces since

## DAMAGE 3 CARS IN LOCAL MISHAPS

Cars driven by Ralph J. Walker of R. D. 4, Salem, and Harold K. Barnes collided on N. Ellsworth ave. at 6:40 a. m. today.

Walker said he was going 35 miles per hour when Barnes' car attempted to pass and swerved into him. Both cars left the road and ran up over the curb, shearing off a light pole in front of 890 N. Ellsworth ave.

Barnes said he wasn't sure whether a blowout or a hole in the street caused him to swerve into the other car.

No one was injured. Walker's car was only damaged slightly, but Barnes' car had considerable damage done to the grill, the right front end and side.

Joe Dowd, of R. D. 3, Lisbon, reported to police his car was parked in the front yard of Mrs. Harry G. Kelly of Cherry st., when another car struck and damaged his left rear fender at 3 a. m. Friday.

The car did not stop. Dowd said he was using a car belonging to Frank Dowd of Columbiana.

## A Lasting Memorial

WHEN The Salem News opens its new home on N. Lincoln ave. for public inspection over the weekend the people of Salem and this area will have the opportunity to not only learn all the intricacies of producing a daily newspaper, but also to view a building of the most modern type. This paper is proud of its new plant because it not only feels but has been told by many other newspaper publishers that it is the most modern plant to be found in a city the size of Salem. It shares this pride with the community it serves because the better the plant, the better the product.

This addition to the architecture of Salem's business district and the advancement of modern production methods that will serve well into the future are the result of one man's desire to leave a lasting memorial to the community which he served so faithfully for a span of more than 50 years and which in turn provided him with the start in life which later led to fields of statewide and nationwide leadership and recognition. A few years ago Louis H. Brush gave serious thought to the idea that had been formulating in his mind for many years. Finally he determined that a new building would be his contribution to the community, to serve the future as well as the present, to stand as an inspiration to others to help modernize the rapidly expanding business district of this thriving community. He had the idea which he passed on to the writer to develop into a workable plan. This has now been accomplished and although Mr. Brush did not live to see the completion of the new building, it stands today as a memorial to all the leadership and inspiration which he contributed to this community for so many years and will continue to be a lasting memorial to the service he gave to his home town he loved so well.

Much more than a memorial is this fine new building, for it stands as an expression of his faith in the community. This faith developed in him early in his business career and it continued to strengthen unwaveringly as the years went by. He always had an abiding faith in the future of Salem and the sturdy towns and rural communities serving it. Always was he proud of the city's diversified industries and their steady expansion, of its sound business establishments, its many institutions, its civic spirit and community advancement, and its outstanding leadership in many of these fields of endeavor. In brief, he was proud that Salem was his home.

So this new newspaper plant stands today, as it will stand for many years to come, not only as a memorial to his community and to his part in its development, but also as an expression of a faith which knew no bounds, a faith shared by those who were so long associated with him.

## Farmers Aren't Fools

For the next month or so there will be the usual photographs of farmers looking at piles of field corn which can't be stored in cribs because the harvest is larger than the cribs prepared to receive it.

There were similar photographs when the 1949 wheat crop was harvested—huge piles of grain which couldn't be stored in elevators because there weren't enough elevators.

The shortage of cribs and elevators was a presidential campaign issue in 1948. Mr. Truman blamed the Republican party for not furnishing storage bins for wheat and corn. Thousands of farm families, according to the political experts, thereupon voted for Mr. Truman because he promised that storage facilities would be furnished in time for 1949 crops. Many have been furnished, but obviously not enough. Meanwhile, farmers have been producing more corn and wheat than could be sold in the open market without glutting it.

They've been doing this, just as they have been concentrating on production of other subsidized crops, because the law of supply and demand has been suspended by government intervention in the form of price supports. Farmers aren't fools. They don't produce more corn and wheat than can be handled properly because they don't know how to run their own business. They produce these commodities to make a living, and they produce more than the demand justifies because the government will pay support prices for the surplus. Though this should be obvious, photographs of corn piled on the ground suggest that the American farmer has lost his sense of balance. It's the United States government that has lost its sense of balance, and farmers can't be blamed for making the best of a bad situation.

## Pinfeathers On The Left Wing

Due to barred doors, there is no information about what happened in the United Electrical Workers convention in Cleveland, other than the re-election of all union officers and adoption of a resolution to withhold per capita payments to C. I. O. for such time as the executive board deems necessary for the protection of the interests of the U. E. W.

These two items of information, however, tell a big story. The men who were re-elected had been under attack for their Slavish support of the Communist party line by the candidates they defeated. The U. E. W. has been under pressure from the C. I. O. for its leadership, refusal to work with the C. I. O. policy. If the U. E. W. withholds dues from the C. I. O., that means an open split finally has developed.

It could mean that the section of organized labor which has stood at the extreme left in ideological ranking has lost a powerful union

outright to the Communist party. Ultimately, it could mean that the Communist party is ready to take off the mask it has worn in the organized labor movement of the United States and carry on its political program in that field without disguise. There might follow the long-deferred showdown deferred, incidentally, because C. I. O. leadership dreaded the schism which apparently the U. E. W. now seeks.

## Guarding Your Health

By DR. HERMAN BUNDESON

PAIN, disability and unsightly swelling may result from inflammation of either of two bursas in the elbow joint. Bursas are fluid-containing sacs, placed at strategic points around joints to cushion movement and prevent the bones from grinding together.

One of the bursas in the elbow which may give trouble is known as the olecranon bursa. Inflammation of this bursa results from hitting the elbow against a solid object. A soft swelling develops which is unsightly, but not particularly painful.

## Comes on Suddenly

When this condition comes on suddenly following injury, a pressure bandage may be put on after the fluid in the sac has been withdrawn, using a hypodermic syringe or needle. This pressure bandage may keep the sac from filling up again. However, it should not be tight enough to cause any discomfort. The fluid may have to be withdrawn again after three to seven days. Usually, with two or three such treatments, the swelling disappears permanently.

A person who continually leans on his elbow or who repeatedly hits it against something while at work may have a chronic inflammation of the bursa. This condition can be cured only by cutting out the bursa.

The second bursa which may be

affected is known as the radio-humeral bursa. Swelling of this bursa has been called "tennis elbow" because it develops so often in tennis players.

This type of bursitis may be treated by having the patient carry his arm in a sling for about four weeks. Hot packs or treatment with diathermy which produces heat deep in the tissues may be helpful. Injection of a local anesthetic into the bursa area has also been used in the treatment.

Sticking a needle into the inflamed bursa and withdrawing the fluid contents may be helpful. In other cases, the wearing of a light plaster cast to keep the area immovable may be of benefit. Now and then operation may be required to bring about a permanent cure.

## QUESTIONS AND ANSWERS

Reader: What causes black spots in front of the eyes?  
Answer: Spots before the eyes are a symptom that appears in several diseases. It may be due to constipation, to a defect in the vision, to high blood pressure, or to migraine.

A thorough examination by a physician is necessary before the exact cause can be determined; then proper treatment can be suggested.

The fire season in U. S. forests normally extends from June through mid-September.

## Teacher Nips Dynamite Prank

GLENDAL, Calif., 23—(UP)—Science Teacher Albert E. Hewitt said Thursday he "thought for a minute I was back in the South Pacific" when he risked his life to stamp out a sputtering dynamite fuse.

The fuse, burning toward a six-inch stick of dynamite, was ignited by a playful schoolboy in the Glendale High school basement "just for a kick."

"I was teaching a class of 30 students right above where the charge had been placed in a basement door," he said. "A woman teacher noticed it burning and called me. I grabbed it about a minute before it was set to blow."

Police were questioning five teen-aged youths from the school, one of whom admitted planting the charge "just for a kick."

"We were just fooling around and it seemed to be a good idea to set off the stick of dynamite," the officers quoted 17-year-old John Allen Gilmore.

He was booked on suspicion of illegal use of explosives. Police Lt. Clifton J. Brown said the other boys might face a similar charge.

X-ray pictures now may be taken through a piece of steel 10 inches thick, with an exposure of nine minutes, using a 10,000,000-volt mobile betatron.

## Denver Millionaire Faces Six Income Tax Charges

DENVER, Sept. 23.—(AP)—This mountain city's fabulous "rich of the gods"—80 year old Henry M. Blackmer—is expected to face six income tax charges Sunday. After 25 years of luxurious self-imposed exile in Europe, he returns to face six federal charges of income tax evasion.

The multi-millionaire oil tycoon flew into Boston yesterday on a trans-Atlantic airliner. After clearing customs, he was whisked away in an automobile. Denver friends said he would fly to Chicago and board a train for Denver, arriving Sunday. He is accompanied by his second wife, Eide Norcia, Norwegian soprano.

His sudden return kindled the memories of the Harding administration's Teapot Dome scandal. Two of Blackmer's oil associates, Edward L. Doheny and Harry Sinclair, were involved. Blackmer slipped away to Europe in 1924 rather than testify at a congressional inquiry into the Continental Trading company. He was a director. It was disclosed in a Cheyenne, Wyo., court that the company made \$2,000,000 through a paper transaction by purchasing oil from one company and selling it to another. The profits were used to purchase Liberty bonds. Government detectives said some of the bonds were traced to Albert Fall, Secretary of the Interior in the Harding administration.

Fall was convicted of accepting a bribe of \$100,000 from Doheny in the leasing of the Elk Hills Naval Oil reserve, part of the Teapot Dome field. He was sentenced Nov. 1, 1929 to a year in prison and fined \$100,000.

In the same court and before the same judge, Doheny was acquitted of charges that he gave Fall the bribe. Doheny died in 1935.

Fall was released in June, 1932, after serving nine months in Santa Fe prison. He left there in an ambulance, a sick man. He died in 1944 at the age of 83.

Sinclair, who had been accused of passing along more than \$200,000 in Liberty bonds to Fall in exchange for a lease on government oil fields, was exonerated. Later, however, he served seven months in Washington district jail for contempt of the Senate in refusing to answer questions at a hearing in 1929.

Sinclair, now 73, is president of the Sinclair Oil Corp., with offices in New York.

### Have Pythias Convention

CINCINNATI, Sept. 23.—The first of an expected 1000 to 1,500 Knights of Pythias and Pythian Sisters arrived today for their annual state conventions.

Presiding over the Knights convention was Lyle L. Lidell, grand chancellor, of Norwood. Mrs. Frances Oerter of Dover, grand chief, will direct the women's sessions.

## SOCIAL NOTES

### Miss Pearl Butz Honored At Party

Miss Pearl Butz of E. Third st., retired chief operator of the Bell Telephone Co., was complimented with a surprise party Monday evening at her home, arranged by a group of telephone operators, to celebrate her birthday anniversary.

A birthday cake was served with the supper, which featured the affair. Souvenir silver spoons were used from the honor guest's collection.

Miss Butz was the recipient of gifts and 90 greeting cards.

A highlight of the entertainment was the colored pictures of Niagara Falls, taken at different seasons of the year, shown by Mrs. Minnie Bush.

Although Miss Butz had worked for the telephone company here for a number of years, she was employed at Uhrichsville when she retired.

### WCTU Schedules Columbus Speaker

Mrs. Hazel Michler, state Loyal Temperance Legion secretary, will be the main speaker at the annual convention of the Columbiana county W. C. T. U., Friday, Oct. 7, in the Winona Friends church.

Sessions will open at 9 a. m., and 1:30 p. m. Report of the national convention, held recently in Philadelphia, will be given by Mrs. Tyson of Columbiana. There will be a coverdinner at noon.

Kenneth Smith of Jennings ave., will resume his studies at Kent State university this week. He is the son of Mr. and Mrs. Harold D. Smith.

Mr. and Mrs. Carl Lippitt and Mr. and Mrs. Samuel Rea, Jr., are on a vacation trip to Indiana.

### Esther Butler Group Meeting Held Thursday

Mrs. Henry Landwert was in charge of the program at a meeting of the Esther Butler Missionary circle of the First Friends church Thursday afternoon in the church. She offered a poem, "But The Business Is Left."

Mrs. Harry Gardner conducted the devotion. A letter from a resident of Berlin, Germany, whom a member had helped, was read by Mrs. Sylvester Jackson.

Missionary articles were read by Mrs. Charles O'Connell and Mrs. Scott G. Herbert.

Mrs. L. E. Allen and Mrs. Gardner served refreshments.

### Miss Dales Entertains Beta Sigma Phi Group

Gems of speech quoted for roll call by members of Beta Psi chapter, Beta Sigma Phi sorority emphasized the topic on "Speech" Thursday evening at the meeting in the home of Miss Elizabeth Dales on Franklin st.

Mrs. Wade McGhee and Mrs. Elwood Hammell, Jr., led the interesting group participation program. Examples of speech, good and bad, were given to illustrate the point of discussion.

Plans were made for the "rush" party Oct. 6 in the Diehl lake clubhouse.

Miss Dales was assisted in serving lunch by Mrs. Robert Lieder and Miss Martha Hollinger.

Mr. and Mrs. Wesley Becker of N. Lincoln ave. have been advised that their son, Pvt. Kenneth Becker has arrived in Karlsruhe, Germany, where he is attached to the Signal Combat corps.

Mrs. Hal Everett of anesville is visiting at the home of Mr. and Mrs. J. B. Votaw of the Lisbon rd.

### Girl Scout Group Hears Rev. Ogden

Leaders of young people have to be very careful in their attitudes, according to Rev. Harold L. Ogden, pastor of the First Presbyterian church, guest speaker at a dinner meeting of the Salem Girl Scouts council Thursday evening in the Memorial building.

Rev. Ogden pointed out that you can't cover your attitudes, because they will leak out. His talk had to do with atheism which he explained was a pernicious thing.

The speaker upheld the fundamentals of Christianity and declared that God has a purpose for every man's life and that He can disclose this purpose.

Mrs. J. Brook Votaw, council treasurer, introduced the speaker.

Mrs. Robert Eddy, president, officiated at the business session.

Appointments made to fill vacancies included Mrs. William Ross, public relations chairman; Mrs. Niles Pettay, Jr., training chairman, and Mrs. Donald Mathews, council board member-at-large.

Mrs. Eddy announced that all adult Salem Girl Scouts are invited to hear Miss Oleda Shrotky, from the national headquarters, who will speak in Canton at 8 p. m. Tuesday in the First Christian church.

Mrs. Robert Watterson directed group singing with Mrs. Edwin Probert at the piano.

Mrs. Lozier Caplan, Mrs. Otis Flick and Mrs. Robert Lopeman were in charge of the dinner arrangements and attractive table trimmings.

Mrs. Hal Everett of Zanesville was an out-of-town guest.

### WIW Club Elects New Officers

Officers were chosen when members of the WIW club met this week at the home of Betty Betts, Rose ave.

They are: President, Marian Gang; vice president, Betty Rousher; secretary-treasurer, Shirley Zeigler. Lunch was served by the hostess.

A hayride was planned for 8 p. m. Saturday.

The next meeting will be held at the home of Marian Gang of Arch st.

### Chatter Club Meets With Mrs. Whitehill

Associates of the Chatter club met Wednesday evening with Mrs. Glenn Whitehill at her home, Woodland ave.

Five hundred added pleasure with prizes going to Mrs. Fritz Turri, Mrs. Joseph Fisher and Mrs. August DeCrow. Mrs. Stroh Caldwell assisted the hostess in serving lunch.

The Oct. 12 meeting will be in the DeCrow home on S. Madison ave.

### Joan Haggerty Wed In New York Monday

COLUMBIANA, Sept. 23—Miss Joan Haggerty, daughter of Mrs. Anna Haggerty, 27 Union st., and Robert Allen Greenberg, son of Mr. and Mrs. Leo W. Greenberg of Elmhurst, a suburb of New York City, were married in New York Monday afternoon at 4:30.

The double ring ceremony was performed in the presence of the immediate families by Dr. E. W. Western, pastor of the Church of All Nations, in his library.

The bride wore a gray suit with green accessories. The bride and groom are students in Kent State university, and their attendants were fellow students, Mr. and Mrs. Melvin Swartzberger of Elmhurst.

After the ceremony, there was a dinner at the Tavern-on-the-Green, in Central Park at W. 67th st. The couple spent their honeymoon in New York City, and are resuming their studies at Kent, where they have begun house-keeping in an apartment.

Mrs. Haggerty, mother of the bride, who attended the wedding, arrived home Wednesday afternoon.

### Cole Reunion Held At Firestone Park

Mrs. Ada Freed of Youngstown, retiring president, had charge of an interesting program of entertainment at the fourth annual reunion of the descendants of John and Anna Cole, held recently at Firestone park.

Mrs. Freed displayed the 100-year-old black wool shawl worn by the late Mrs. Anna Cole. The shawl has a colored border and is in perfect condition.

Mrs. Ernest Gustafson of Columbiana arranged the attractive decorations for the dinner table.

Contests were directed by Ray Schneider of Youngstown and Alden Smith of Salem.

Officers are: President, Mrs. Marie Ellwood of Akron; vice president, Mrs. Ada Carns of Salem; secretary, Mrs. W. D. King of Salem; treasurer, Mrs. Laura Gustafson of Columbiana.

The 1950 reunion will be at the same place on the third Sunday in September.

### Entertain New Prospect Teachers

Miss Ora Montgomery, principal; Mrs. Edith Goodman, Mrs. Jennie Johnson, Miss Thelma Thomas and Mrs. Pauline French, teachers at Prospect Street school gave a delightful dinner party Thursday evening for the new teachers, Miss Marjorie Zeller, Miss Janet Crawford, Mrs. Mary Schragg, Miss Elizabeth Boyd and Mrs. Jean Winegard.

Yellow candles in crystal and a bouquet of autumn flowers made the table attractive and there were hand-painted place cards.

The dinner was served at the Heck restaurant near Columbiana. Miss Thomas and Mrs. French were in charge of arrangements.

Mr. and Mrs. Edmund J. Kamasky and children, Robert and Tony, of Appleton, Wis., spent the past week with his mother, Mrs. Catherine Kamasky of the Benton rd.

### Miss Pennell Wed To Walter Hawthorn

Miss Donna Jean Pennell and Walter Eugene Hawthorn were married at 8 p. m. Wednesday by Rev. E. D. Fager, pastor of St. Jacob's Evangelical and Reformed church, in his home, near Lisbon.

Attendees were Miss Gloria Pennell, sister of the bride, and Lowell Bryant of Salem.

The bride complemented her gray suit with green accessories and a corsage of white roses.

Miss Pennell wore a corsage of pink roses with a navy blue suit and black accessories.

A reception for 40 relatives and friends was held at the home of the bride's parents, Mr. and Mrs. Howard Pennell of R. D., Lisbon.

The groom is a son of Mr. and Mrs. Walter Hawthorn of Hanover.

After a honeymoon trip to Niagara Falls, the couple will reside near Winona.

### Methodist Choir Is Entertained

Following the rehearsal, Thursday evening, members of the Methodist choir went to the home of Mr. and Mrs. Carl J. Beecher of Home Circle.

Mrs. Loren Early was in charge of the business session at which time plans were made to sponsor the church High school age choir.

The hosts and Mrs. G. T. Hardin served refreshments.

Officers will be named at the October meeting.

### Garden Study Club To Hold Flower Show

A flower show and surprise program will entertain members of the Garden Study club when they meet at 8 p. m. Monday at the home of Mrs. Martin Roth at 837 Newgarden st.

Classifications for the flower show arrangements are: Mantel, coffee table; dining room table; and miniatures. Each member may have one entry in two classes only and first and second place awards will be made in each of the four classes. A best-of-show award also will be given.

The entries must be in by 4 p. m. Monday, and if a member is unable to take in her own exhibit she may dial 5293 and it will be called for.

### Surprise Party Held For Mrs. Pauline

The birthday anniversary of Mrs. Michael Pauline was celebrated with a surprise party Thursday afternoon in her home, Summit st.

Relatives and neighbors participated in the festivities, arranged by Mrs. Pauline's daughters, Mrs. Walter Seederly and Mrs. Louis Stouffer, the latter of Washingtonville.

Refreshments were served from a lace-covered table enhanced with a birthday cake ornate with candles and flanked with pink candles.

Flower arrangements were among the gifts received by the honor guest.

### Junior High Faculty Holds Wiener Roast

Cards and other games in the clubhouse entertained Junior High school faculty members and their guests after a wiener roast Thursday evening at Diehl lake.

Hostesses to the 50 guests present were Mrs. Ernest Heisler, assisted by Miss Inez Heisler, assisted by Miss Elizabeth Ward.

Frozen peanut balls, as served in a New York restaurant, are made by rolling a scoop of ice cream in finely chopped roasted salted peanuts, and surrounding with chocolate sauce.

Serve snap beans with a cheese sauce if you want to give your family extra nutrients. To make it a party dish turn the beans and sauce into a casserole, top with buttered crumbs and brown under the broiler or in the oven.

### Votaw Zimmerman Wedding Sunday

Miss Ruth Votaw and William A. Zimmerman will be married at 2:30 p. m. Sunday in the Winona Methodist church by Rev. Fred Tozer, pastor. Custom of open church will be observed.

Miss Votaw has chosen her sister, Mrs. Walter J. Wright as matron of honor. Miss Virginia Zimmerman, sister of the groom, will be bridesmaid.

Karen Votaw and Diane Zimmerman, sister and niece, respectively, of the bride, will be flower girls.

Robert Zimmerman will be his brother's best man, while Dwain Votaw, brother of the bride, and William Smith will usher.

### Janice Whitcomb Celebrates Birthday

Three-year-old Janice Louise Whitcomb had the help of 11 other boys and girls from the ages two to six to celebrate her birthday Wednesday afternoon at the Whitcomb home on Park dr.

The party was arranged by her mother, Mrs. Merle Whitcomb, assisted by Mrs. Wesley Houser and Mrs. George McCloskey of Lisbon.

The youngsters were given sucker and gum drop favors, and balloons added to the enjoyment of the day. Places at the table were marked by individual cakes lighted with tiny candles and the table centerpiece was a large decorated birthday cake.

Janice received many gifts from her friends.

Outdoor entertainment was provided for the children.

Robert Askey of Prospect st. and Don Silvers of the Georgetown road left Saturday for Bowling Green university, where they are enrolled as freshmen.

Robert Eugene Askey, son of Mrs. Elfreda Askey of 905 Prospect st., began his freshman year at Bowling Green university this week.

Joseph Ciricosta has enrolled in the commercial institute at Pittsburgh. He is a son of Mr. and Mrs. Rocco Ciricosta of W. Pershing st.

## Columbiana Community Fund Designates Goal of \$4,870

COLUMBIANA, Sept. 23—The Columbiana Community Chest drive will open Monday, Oct. 10, with a goal of \$4,870, a small increase over the goal last year, necessitated by the inclusion of the Brownie Girl Scouts and increased requests from several organizations that are recipients of chest funds.

There will be a house-to-house canvass as in the past, but there will be no solicitations in the factories, shops or stores. Chairmen will be appointed for the groups to be solicited, which include manufacturers, utilities, businesses, professions and homes.

Chest funds will be distributed to Salem City hospital, Salem Clinic hospital, Boy Scouts, Girl Scouts, Brownie Girl Scouts, Salvation Army, U. S. O., and local relief.

Officers for the community chest this year are: Chairman, John L. Hutson; vice chairman, Charles Ramsey; treasurer, George Keller; secretary, C. W. Furney; directors, Mark Klingensmith, Clyde Hoover, William B. Miller, H. F. Richmond, Robert Culp, Ernest Cope, Grant Bevington, Paul Wagt and Rev. A. A. Anderson.

A schedule of new rates for water, electricity and sewer rental is being mailed to consumers and will be in effect when the quarterly bills are mailed Oct. 1. The board of affairs was forced to take this action chiefly by the

new contract with the Ohio Edison, which raised the price of electric current on account of the increased cost of coal. The new Ohio Edison contract will cost the Columbiana municipal distribution system some \$7,000 more than formerly, and the board of affairs says the revenue from all the utilities would not pay the cost of operation.

No drastic changes are made by the new rates. For electric current the rate is unchanged, but the former 20 per cent discount for prompt payment of bills is reduced to 10 per cent.

The minimum for water, the first 3,000 gallons, is raised to \$2.50 from \$2; the next 22,000 gallons, raised to 50 cents per 1,000 from 40 cents, and the remainder to 35 cents per 1,000 from 30 cents. The discount rate for prompt payment remains unchanged at 10 per cent.

The sewer rental minimum for the first 5,000 gallons of water is raised to \$2 from \$1; for the next 55,000 gallons at four cents per 1,000 gallons, and the remainder at three cents per 1,000 gallons, the rate is unchanged.

Bills are mailed quarterly the first of October, January, April and July, and the discount deadline is the 25th.

### Club Plans Party

The Columbiana Saddle & Bridle club will have a Halloween party, Wednesday evening, Oct. 19, at Valley Golf club. Preliminary plans were made at the September meeting of the club, Wednesday evening, at the home of Mr. and Mrs. P. R. Corey, northwest of town on Route 14. Twenty-two members were at the meeting.

### Prepare For Inspection

In preparation for the annual inspection, Pandora Rebekah lodge will hold a special meeting Monday evening, for degree practice, and there will be degree practice again at the regular meeting, Monday evening, Oct. 3. The inspection will be Monday evening, Oct. 17, with Mrs. Irene Meier of Sebring, district representative, as the inspecting officer.

### Brownies to Meet

The Brownie Troop of Girl Scouts will meet their mothers at the Methodist church this evening at 7.

### KENSINGTON

Mrs. Thomas Manfull entertained when members of the Ladies Aid of the Christian church met in the Annex. It was announced the group would hold a birthday party for all members Thursday Oct. 13. A covered dinner will be served at noon. Mrs. James Stewart is program chairman. The church presented Miss Dorothy Zell with a purse of money. Miss Zell had charge of the summer daily vacation Bible school. She is now going to Ketchikan, Alaska, to do missionary work.

Ten persons from the Christian church attended the tri-state rally at Palmyra, Ohio recently. Rev. William Clague, Minerva Christian church, was the speaker at the morning session, his theme being "Faith—Virtue". Other speakers for the day were Hayward Ingram, Riverside, Akron, Ralph Cope, Toronto, Ohio, Alva Sizemore, La Belle View, Steubenville, and Harold W. Scott, Indianola church, Columbus, Ohio.

Mr. and Mrs. Sharon Greene have returned home after a visit with relatives in Kentucky.

Mr. and Mrs. Harry Myers of East Liverpool were recent callers in town.

## PLANES ARE USED TO SAVE PEOPLE FROM HURRICANE

CORPUS CHRISTI, Tex., Sept. 23—(UP)—The navy and air force used a helicopter and 10 transport planes for a "hurricane lift" to ferry coastal residents from the path of an approaching storm Thursday.

The weather bureau warned that the near-hurricane would strike the Gulf coast with winds more than 60-miles-an-hour this afternoon or tonight. The storm early Thursday signaled its approach with choppy seas and a tide two feet higher than normal.

City residents boarded their windows and those who lived in flimsy beach houses packed their household effects and fled inland.

The navy used a helicopter to rescue fishing parties from Padre island, the long, narrow stretch of land which skirts the lower Texas coast. High tides rose to flood the island.

The air force pressed 10 C-47 transports into service to move 300 air force personnel from Matagorda island, where they had been engaged in gunnery practice.

The Weather Bureau's fourth advisory on the storm, issued at 4 a. m., said the storm was centered about 170 miles south of Galveston. It described the storm as small and apparently not well formed but warned that it might develop in fury.

A radio-equipped police car stood by a Port Arkansas, on Mustang island, to warn Corpus Christi of rising tides.

The Red Cross and the Salvation Army stood by ready for

emergency call, and emergency crews were enroute to the hurricane area from regional offices in St. Louis.

Corpus Christi's Mayor Leslie Wasserman ordered a full alert for the city police and fire departments and 250 National Guard troops were given tentative "stand ready" orders.

Emergency disaster guard crews headed by former Police Chief Earl Dunn posted storm warnings all over the city. Red and black hurricane warning flags were hoisted along the coast from Corpus Christi to Lake Charles.

## County Lawyers Agree 'District Attorney' Best

DAYTON, Sept. 23—(AP)—Ohio's prosecuting attorneys

would rather be called "Mr. District Attorney."

They believe the next Ohio General assembly will see it their way.

Montgomery County Prosecuting Attorneys' association of Ohio will ask the next assembly to make the change. Heck is retiring president of the association.

He said the change "is almost certain to be approved."

"We feel the title prosecuting attorney is misleading, since we have many duties to our counties beside prosecuting. Most state use the more suitable title of district attorney."

Army Day commemorates the entrance of the United States into World War I on April 6, 1917.

### Given 10-25 Year Term In Armed Robbery Case

LISBON, Sept. 23 — Eugene Wolfe, of East Liverpool, was sentenced to the Ohio penitentiary for a term of not less than 10 years nor more than 25 years when he appeared before Common Pleas Judge Joel H. Sharp Thursday for a hearing on the question of his mental condition.

Wolfe, who had previously entered a plea of guilty to the armed

robbery of an East Liverpool A & P store last December, was confined in the Lima state hospital for a period of mental observation before being returned to the court here for sentence.

Judge Sharp, however, taking the report of the psychiatrist into consideration, ordered Wolfe committed to the Lima State hospital for an indefinite period stating there is some mental deviation or derangement which would be benefitted by hospitalization.

(Continued from Page 1)

conferees. He said he will fight to keep the senate bill intact.

The biggest surprise in the voting was the administration's strength in defeating an economy move which had worried senate leaders. The decisive vote was 46 to 32 against an amendment by Senator George (D-Ga.) to trim \$200,000,000 off the \$1,000,000,000 set aside in the arms aid program for western Europe.

As the senate bill now stands, it provides:

\$1,000,000,000 for re-arming North Atlantic pact nations. Half would be in cash and half in contract authority;

\$211,370,000 for Greece and Turkey; \$27,640,000 for Iran, Korea and the Philippines;

And \$75,000,000 for the China area to be spent at the discretion of the President.

### STEEL

(Continued from Page 1)

other steel companies it is ready to negotiate.

The basis for the talks will be the recommendations of President Truman's steel fact finding board. The board vetoed a wage increase but recommended a company paid pension and insurance program equal to 10 cents hourly per worker.

The Steelworkers accepted the board's recommendations insisted that steel companies do likewise as a condition of further bargaining.

U. S. Steel balked at accepting the recommendations without bargaining. The firm particularly objected to pensions and insurance financed wholly by the company. That began a week of feuding by telegram between "Big Steel" President Benjamin F. Fairless and Steelworker President Philip Murray.

Cyrus Ching, head of the U. S. Mediation board, called both sides to Washington to talk things over. A strike still loomed for this weekend until the President sought another truce.

#### Outlook Hopeful

Truman told a press conference yesterday the outlook appeared very hopeful for a settlement.

Meanwhile the Steelworkers reported that Standard Steel works of Lewistown, Pa., had accepted the steel fact-finding board's peace formula in full. Officials of Standard Steel, a subsidiary of the Baldwin Locomotive works, could not be reached for comment.

### TRUMAN

(Continued from Page 1)

this happened?" Johnson was asked.

"No," he replied.

When reporters sought to determine when and where the explosion occurred, he said:

"You've got a calm, factual presidential statement and I don't want to overplay it."

Asked whether the cabinet received more detail from the President than was contained in the public statement, Johnson said, "the cabinet knows all about it," but he declined to supply any details.

Thus Truman wrote dramatic chapter in the record of atomic history which, as far as he was concerned, began when he ordered the dropping of atomic bombs on Japan in 1945.

Truman has said many times since that he regretted having to make that decision, but that he thought in the long run, it saved hundreds of thousands of lives by shortening the war.

#### Refused Secrets

He has consistently refused to give away the secret of how this country manufactures atomic bombs. Recently, however, he consented to exploratory talks with the British and the Canadians on a wider exchange of atomic scientific knowledge.

Over the period of the postwar years, there have been repeated rumors in this country and abroad to the effect that the Russians had the bomb and were testing it.

Today was the first time any top official has said for publication that the Russians have the power and ability to produce an atomic explosive.

The President's announcement meant that Russia has achieved an atomic explosion at least two years sooner than most American planners believed she could.

#### Had Report

The President's air policy commission on Jan. 13, 1948, told him it was reasonable to assume "other nations" would have atomic weapons "in quantity by the end of 1951."

The first date on which other nations would have the bomb was suggested as 1951.

The Russian atomic project is understood to be under the direction of Lavretti Beria, the Politbureau member in charge of the Soviet secret police.

Presumably it was an explosion of the so-called "beria bomb" that Truman was reporting.

### Deaths

#### MRS. P. R. ICKES

Mrs. Cordelia Jackson Ickes, 49, wife of Plummer R. Ickes, of Homeworth, died at 9:30 p. m. Thursday at her home, following a four-year illness.

A daughter of Mr. and Mrs. Elwood W. Jackson of Homeworth, she had spent her life in the Homeworth district. She was a member of the Presbyterian church there.

Besides her husband and parents, she is survived by one son, Ross, at home; one daughter, Mrs. Marion Liber of Cleveland; two sisters, Mrs. Harry Behmer of Salem and Mrs. Clair Hahn of Canton and two brothers, Frank Jackson of Dayton and Virgil Jackson of Homeworth.

Funeral service will be held at 2 p. m. Sunday in the Homeworth Presbyterian church in charge of the pastor, Rev. Thomas Holmes. Burial will be made in the Moultrie cemetery.

Friends may call Saturday evening at the Cassaday & Turkle funeral home.

## Cleveland Browns' Defense Revealed In New York Game

The Cleveland Browns under-estimated the defense as well as total offense. They were also first in pass defense for two seasons, winding up second to Brooklyn last year on the basis of total yards passing allowed. However, the Dodgers were not passed against a great deal since a rather weak line invited a running attack.

Tightening the defense has been a coaching triumph of the Browns' staff too often overlooked because of the natural recognition of the more spectacular offensive play.

## Northwestern and Purdue Open Big 10

CHICAGO, Sept. 23.—(AP)—Northwestern and Purdue will open the Big Ten's 54th consecutive intercollegiate football season at Evanston tomorrow. Other conference members will go outside the league for their first tests.

The Wildcats were Big Ten runnersup in 1948 and are the current Rose Bowl champions. The Boilermakers tied Iowa and Indiana for fifth spot in the final standings last season. Each has won 14 victories in their series. One game was a tie.

Northwestern, pinning its offensive hopes around a speedy veteran backfield, was rated a slight favorite over Coach Stu Holcomb's invaders.

## SAM BECKER GETS NOD ON NEW FIGHT

CINCINNATI, Sept. 23.—(AP)—Promoter Sam Becker now has approval for another boxing bout here involving Joey Maxim of Cleveland, the NBA-recognized American light heavyweight champion.

The Cincinnati boxing and wrestling commission yesterday approved plans for a 15-round bout between Maxim and Joe Kahut of Portland, Ore. Becker said he plans to hold the fight Oct. 25 in the big Cincinnati garden.

Maxim and Kahut have fought twice before and each has won a decision.

The commission also approved a bout in music hall on Oct. 5 between Wallace (Bud) Smith, undefeated Cincinnati lightweight, and Frankie Conti of Haverhill, Mass. Harry Hartman will promote that scrap.

## COLLEGE SLATE OPENS; SEVERAL OUT OF STATE

### Ohio Colleges Really Get Season Under Way; Kent Meets W. Reserve

By AARON E. LONEY

COLUMBUS, Sept. 23.—(UP)—Some 261 Ohio college football players today were ready for the whistle that will get the collegiate grid season under way this weekend.

Those 261 make up the starting eleven of the 26 Ohio teams that will see action today or tomorrow. All but six of the teams will be competing for the first time this season.

Top game of the week will find Missouri hoping to put a quick end to talk that Ohio State is Rose Bowl material. The Buckeyes, however, will go into the game in Ohio State here a 13 to 21 point favorite.

In other top intercollegiate games, Hardin-Simmons of Abilene, Tex., has the nod over Sid Gillman's Cincinnati Bearcats, and West Virginia is picked to beat Ohio university. John Carroll is favored over Texas Western on the Texan's home grounds.

On home ground, the Dayton-Xavier go is rated a near toss-up. Miami should take Wichita's measure; Akron gets the nod over Findlay; and Bowling Green State university should turn the trick against Rider college.

In other games: Capital, with a much heavier team, is favored over Muskingum; the Valparaiso-Defiance college contest is anybody's guess, but Defiance has a slight edge; and Denison is expected to continue its winning ways over Washington and Jefferson.

Heidelberg could, but probably won't, turn the tables on East Kentucky State; Hiram gets the nod over Kenyon; Western Reserve is favored over Kent State tonight; Marietta, with one game under its belt, should take Rio Grande tonight.

Ashland's convincing 38-0 win over Rio Grande last week is enough to give that school the vote over Ohio Northern tonight; Ohio Wesleyan has the edge over Otterbein; Wittenberg should take Hillsdale; and Canisius rates a bit over Youngstown.

Hines or Slabaugh will be on the mound for Althous.

## Repeat Rained-Out Game Sunday

The Althous Dodge, Lake Placencia Old Timers game that was rained out last Sunday will be played 2:30 p. m. Sunday on the Lake field.

Last Sunday's game was called in the third inning with each team having scored one run and the Old Timers having the bases loaded when the game was called. The Old Timers will get Gordy Scullion and Paul Stratton to their roster for Sunday's game.

J. Hravatic, Eells, & Miller will do the pitching for the Old Timers with Wang and Simpson doing the receiving.

Hines or Slabaugh will be on the mound for Althous.

## Brooklyn Now But Half Game From First Spot

RALPH RODEN  
Associated Press Sports Writer

The St. Louis Cardinals, down through the years, have gained a reputation as a "never say die" team.

Baseball fans are wondering today if the present crew of Cardinals will live up to the saying made famous by their illustrious predecessors.

The Cardinal spirit should be low. They suffered one of the most humiliating defeats in their long history last night, a 19-6 trouncing at the hands of the second place Brooklyn Dodgers.

Coming on the heels of a 5-0 beating the previous night the Cardinal pennant outlook, which was peaches and cream Wednesday afternoon, has curdled somewhat.

The Cards now are only a half game in front of the charged-up Dodgers and they have seven games left to play to the Dodgers' six.

Brooklyn entered St. Louis Wednesday and dropped a thrilling 1-0 afternoon decision to fall two and one-half games behind.

The Cards started the night half of the day-night doubleheader extremely confident. A victory would just about have clinched the pennant but Preacher Roe stood them on their ears with a brilliant two-hitter and Dodger flag hopes were fanned again.

Despite Roe's masterpiece the Cards could have taken a stranglehold on the lead with a victory last night. But the Dodgers, with their backs to the wall, made the Cards look like a Class-D outfit instead of the top team in the National league.

While the Dodgers mopped up the Cards before 30,765 fans at Sportsman park, the American league pennant picture remained unchanged. The first place New York Yankees' scheduled night game with last place Washington was rained out. The second place Boston Red Sox, who trail the Yanks by two games, were idle as was the rest of the American league.

Brooklyn belted Red Munger and five St. Louis relief pitchers for 19 hits. The Dodgers scored in every inning except the second and seventh.

Carl Furillo led the massacre, driving home seven runs on three doubles and two singles. Gil Hodges knocked home five on three singles. Duke Snider contributed two doubles and two singles to the attack that saw all but Pee Wee Reese and Spider Jorgensen collect at least one safety.

Lefty Joe Hatten, who had failed to finish against the Cards in six previous starts, glided to his 12th victory. Hatten allowed two hits over the first five rounds and then eased up and granted eight in the last four. Two of the Card hits were homers by Stan Musial—his 34th—and Tommy Glaviano.

Jackie Robinson of the Dodgers regained the circuit batting lead from the Cards' Enos Slaughter. Robinson batted out two hits in four trips to boost his mark from .342 to .343. Slaughter went hitless in five tries and dropped from .345 to .342.

In other National league games the Pirates blanked the Boston Braves, 1-0, behind Murray Dickson; Chicago edged Philadelphia, 5-2, and the New York Giants divided with the Reds in Cincinnati, winning the first game, 3-1, and dropping the second, 8-4.

Today a year ago—Ike Williams retained his world lightweight crown by stopping Jesse Flores at Yankee stadium.

Three years ago—Dorothy Kirby shot a par 75 to lead the field in Women's National Golf championship.

Five years ago—Great Lakes defeated Purdue, 27-18, and UCLA and Southern California played a 13-13 tie as football season opened.

Ten years ago—Joe DiMaggio paced the majors in batting with a .384 average.

## BROWN JUG EVENT GOES TO GOOD TIME

### Richest Racing Event Won By Goshen, N. Y., Man, Is Worth \$23,312.35

DELAWARE, Sept. 23.—(AP)—The nation's richest racing event was won yesterday by a horse owned by the promoter of the nation's richest trotting race.

The fourth annual Little Brown Jug, a grand circuit classic, was won by Good Time, owned by Hambletonian Promoter William H. Kane of Goshen, N. Y.

The 1949 Jug was worth \$58,231.30. The 1949 Hambletonian was valued at about \$69,000.

The victory by the highly favored Good Time was worth \$23,312.53 to his owner. It boosted his winnings for the year to \$48,415 and his two-year "take" to \$98,848.

The fast stepping colt whipped 15 of the nation's fleetest three-year-old pacers under the clever handling of Frank Ervin of Sedalia, Mo.

The race was run before 27,000 spectators in two elimination heats with the five leaders in each heat running in the third heat.

Good Time had the pole position in the first elimination and won handily in 2:04 3/5. He whipped Brewaway, owned by W. H. High of Skowhegan, Me., by two lengths and led all the way.

Stormyway of the Saunders Mills stables of Toledo, O., won easily in the second heat in 2:05 3/5 over Golden Chief, owned by Norman and Golden of Co-shocton, O.

That set the stage for the finale with Good Time 2 to 5 and Stormyway 2 to 1 in the Mutuels.

At the quarter it was Brewaway, Good Time and Stormyway. At the half, in 1:01 3/5, it was Good Time, Brewaway, Arlace, the speedster owned by John R. Loutzenhiser of Greenville, Pa., and Stormyway.

They were still in that order at the three-quarter pole, but at that point Stormyway, driven by Ralph Baldwin, made his bid. At the head of the stretch, Stormyway was a nose back of Good Time, but Ervin took to the whip and brought Good Time home in 2:03 3/5. Stormyway was a length back.

Golden Chief was third, Brewaway fourth and Robert Norris, owned by George Devines of Norwalk, Calif., fifth.

The big purse was split like this:

Good Time, \$23,312.53; Stormyway, \$13,113.40; Golden Chief, \$6,993.75; Brewaway, \$5,245.32; Harrow, \$2,622.65; Ankaway, \$2,622.65; Robert Morris, \$1,749.44; Arlace, \$874.22; Scotland Pal, \$847.22; Intangible, \$874.22.

## Boosters Football Fete Committee Appointed

Salem Boosters moved Thursday evening to begin arrangements for their annual Salem High school football banquet.

At a meeting at the Memorial building, attended by approximately 40 members, President Fritz Bichsel appointed Cliff Callahan, Joe Lippiatt and Leroy

Green as the banquet committee. This group will proceed immediately, Bichsel said, to secure a speaker, set the date of the affair and complete other program arrangements.

In the past the Boosters football affair has been one of the largest banquets in the city each year. Usually a "big time" college coach is engaged for the main address.

Other business by the club last night included the regular showing of the films, of the New Philadelphia game and of the Salem-Warren scrimmage.

Coach Ben Barrett commented on the Philly game and pointed out in the films some of the instances important in Salem's loss.

Barrett termed Ravenna, tonight's foe at Reilly stadium, "as tough, or tougher than they were last year." Ravenna has eight men back from the 1948 team which defeated Salem 20-0. Salem has lost virtually all of its 1948 starting lineup from the Ravenna tilt.

A feature of tonight's game, Boosters were told, will be the appearance of the 70-piece Ravenna marching band, which will share the halftime program with Howard Pardee's snappy Salem unit.

COLUMBUS, Sept. 23.—(AP)—Coach Wes Fesler of Ohio State's football team was undismayed yesterday with the prospects of rain for the Bucks' opener with Missouri Saturday.

Fesler said: "Our offensive plans aren't pinned on any special talent which wet weather would hurt."

# ORE-SHIPPING ON LAKES MAY BE CURTAILED

## Strike In Basic Steel May Lead To Cutting Of Ore Season

By ROBERT JAIN  
CLEVELAND, Sept. 23—(UP)—A strike in basic steel will "very definitely" shorten the season on ore-shipping on the lakes and unless the coal strike now in progress is immediately settled, shipping of that commodity will cease for lack of cargo in about one and a half weeks, the Lakes Carriers association said today.

Stockpiles of ore at furnaces and receiving ports on the lakes aggregate 39,069,090 gross tons at present, compared with 35,512,780 gross tons at this time last year. At this year's rate of consumption by the furnaces, that is about a seven months' supply. It is not known how much more the steel companies want to have on hand in case a strike ties up their furnaces.

Last August's consumption of iron ore by U. S. furnaces was more than a million gross tons lower than that of August, 1948.

The figures are 5,477,684 gross tons for last August and 6,788,206 gross tons for the same period in 1948.

Coal at Lake Erie loading docks or now in transit is estimated at 1,314,000 net tons. The recent rate of shipping has been approximately one million tons per week. Other coal stockpiles are not known, except those of Duluth-Superior. These had 3,465,700 net tons on Aug. 1, about a half-million tons more than on the same date in 1948.

**Shippers Behind 1948**  
The association spokesman said that although 1949's aggregate season shipments probably will be greater than those of any year prior to the war, they are not likely to approach the record figures of 1948.

Up to Sept. 1 of this year, shipments of principal bulk commodities totaled 97,761,465 net tons, slightly more than the record figure of 97,753,367 net tons at the same time in 1948.

However, the shipping season started early this year with the first vessel passing through St. Marys Falls canal on March 26. Also, the curtailment of coal and ore shipments will cut sharply into the year's total.

Termination of shipping on the lakes is expected somewhat earlier this year than in 1948. The first rise in insurance rates for post-season operation becomes effective at midnight on Nov. 30. What vessels operate on the lakes after that date will depend

solely on the needs of individual shippers and receivers. About 22 bulk freight vessels are now laid up for the season. Some are loaded with grain, to be held through the fall and early winter.

The new super ore-carrier, Wilfred Sykes, is still being fitted out at Loraine, O., and is not likely to enter service this year. Even if it does, it will be for only a brief period, the spokesman said.

Several shipping companies are making extensive modifications on existing vessels to increase both their capacity and speed, but so far as is known now, no new vessels are being planned.

**Says Remain Found**  
SOUTHAMPTON, Eng., Sept. 23—The Roman Catholic archbishop of New Orleans said today the remains of St. Peter have "definitely" been found in a tomb in the St. Peter's Basilica in Rome.

The Most Rev. Joseph F. Rummel spoke to reporters just before he boarded the Queen Mary for New York after a pilgrimage to the Vatican.

Pope Pius has long entertained the theory that St. Peter's remains were buried in a crypt in St. Peter's church.

The quinoa plant, which grows in the Andes at altitudes of 12,000 and 15,000 feet, is useful as food, drink and medicine.

# URW President Wins Post Fight

TORONTO, Sept. 23—(AP)—L. S. Buchmaster has won—perhaps temporarily—his fight to regain the presidency of the United Rubber Workers of America (CIO).

The union's 14th annual convention Wednesday night voted him back into the post he was fired from four months ago on malfeasance charges.

But the convention elected new officers Thursday. Early Thursday morning it was not known generally whether Buchmaster, leader of the union's right-wing faction, would run for his post again or, if he did, what opposition he would have.

Union leaders discussed the election at a closed meeting late last night. None of those attending would make any statement when the session broke up. One official said no list of candidates would be available in advance of the voting, scheduled for 8:30 a. m., E.S.T. today.

After a full-dress seven-hour debate and a major union split, the rubber workers voted 840 to 740 to take back the lanky, gray-haired former school teacher from Akron, O., their chief.

Buchmaster's return to the \$6,700 post was a double victory in the "Pottstown affair." His out-

board on charges of conspiracy and malfeasance was engineered by Robert E. Garber, president of Local 336 at Pottstown, Pa.

Earlier Buchmaster had won a convention vote to bring the re-instatement issue to the convention floor, despite his opponents' efforts to keep the matter within committee rooms.

# Court Requests Air Secretary

WASHINGTON, Sept. 23—(AP)—A special navy court insisted Thursday that Air Secretary Symington appear in person to answer questions connected with the B-36 bomber investigation.

Admiral Thomas C. Kinkaid instructed the court's attorney, Capt. Sanford Wood, "to inform Mr. Symington his physical presence is needed before the court."

The tug of war between the air force and the navy developed after Wood read to the court a memorandum from Symington saying he would be willing to supply answers to questions submitted to him by the court in writing.

The court, investigating the background of the once-anonymous document which touched off congressional hearings on the B-36 program, requested Wednesday that Symington appear Thursday as a witness.

In his memorandum, Symington said he learned of the request yesterday just as he was leaving for New York to attend a dinner of the American Ordnance association. He said he cancelled plans to remain in New York through today, and returned early this morning in order to receive any questions the court might want to submit.

After Wood read the memorandum, he told the court he understood Symington was at his office waiting for the questions.

## WORKERS STOP LONDON STRIKE

### Rumors Say Government May Offer Limited Wage Raises

LONDON, Sept. 23—(UP)—The London railway strike collapsed Thursday amid reports the government may soon offer limited wage increases to low-paid workers.

All but a handful of 50,000, railwaymen worked normal schedules despite a union order to slow down to one sixth their normal speed starting last midnight.

Electric trains and subways jammed with commuters roared through London on schedule throughout the morning rush hour. Mainline trains arrived and departed on time.

Only 1,500 of the 50,000 London district rail workers adopted slowdown tactics. Mostly they were freight handlers in depots. Collapse of the strike, called over government refusal of a \$1.40 weekly wage increase, showed unexpected support by rank and file British labor for Prime Minister Clement Attlee's devaluation program.

The railworkers warned, however, that they had not dropped demands for wage increases, and high authorities said the government may compromise on its wage-freeze program.

May Raise Wages  
These sources said the government may try to pacify the rising tide of labor unrest by granting increases to low-paid workers to offset higher living costs caused by revaluation of the pound.

The government will stand fast against granting any general wage increases, these sources said, but might consider a minimum wage policy. Support for the government also came from another quarter. The 800,000-man national union of general and municipal workers announced that it would back the government's "hold the line" policy against inflation.

At the same time Attlee announced he will reconvene parliament for an extraordinary two-day session starting next Tuesday to debate devaluation with the conservatives. Collapse of the slowdown strike against the London railways also wiped out the threat of an imminent Labor party against the government.

Observers warned however that this may only be an interim honeymoon. The real test, they said, will come Monday when Chancellor of the Exchequer Sir Stafford Cripps confers with the general council of the powerful Trades Union congress.

### Most Life Insurance Mutuals Pay Premiums

WASHINGTON, Sept. 23 — Most life insurance companies that issue term policies pay dividends on them annually, insurance experts say.

They said a Veterans Administration insurance officer quoted as saying few if any commercial companies pay dividends on term policies was mistaken.

"No generalization is possible because there may be many exceptions, but certainly it is common practice among Mutual Life insurance companies to pay dividends on term policies as well as on other types of policies," one commercial company official said.

The Veterans Administration next January is going to start paying a special dividend on National Service life insurance. The dividend rate will be the same for term and converted insurance.
